Catalogue of American Amphibians and Reptiles

Robert Powell, Editor

Dear Catalogue Subscriber:

Please find enclosed **Accounts 661-680** due on your **1998** subscription. Also note that the first two pages of account 650 have been reprinted because of an error on the map. Please replace the original page.

Also please note that not all pages of all accounts are bound or collated. This is an effort to reduce costs and keep subscription prices at current levels. Once placed in binders, this should not cause any problems.
